For the sake of clarity, the following terms have the following meaning within the context of and throughout Part 8 of the UCI regulations:

Competition: Refers to any Indoor Cycling competition registered on the UCI Calendar.
Discipline: Refers to the type of Indoor Cycling discipline: Artistic Cycling or Cycle-ball.
Event: Refers to the different categories of each discipline, as identified in article 8.1.009 for Artistic Cycling and Matches/Games for Cycle-ball.

(article introduced on 01.01.26)

§ 2 Jury

8.7.002 Cycle-ball competitions shall have at least two commissaires on the field acting with the same power, one time-keeper and a secretary.

(text modified on 01.01.25)

8.7.003 If no President of the Commissaire is appointed before the competition, one should be appointed before the start of the competition. The President of the Commissaire is responsible for the running of the competitions or tournament in accordance with the regulations.

8.7.004 The commissaire is responsible for ensuring that the games are played according to the regulations.

8.7.005 [abrogated on 01.01.25]

8.7.006 The time-keeper is responsible for the length of both halves and should indicate the end of each half with a clearly audible whistle or horn. He shall stop the clock when determined by the commissaire. The time recorded by the time-keeper shall be definitive. He shall keep track of the time between the two halves and inform the commissaire after 1’45”.

(text modified on 01.01.25)

8.7.007 The secretary shall record the goals and make up the results list. The secretary or the hall speaker shall announce the result or other relevant information.

§ 3 Match field and size

8.7.008 The size of the field for international competitions must be 14 x 11 metres.

8.7.009 For national competitions however a minimum size of 12 x 9 metres is permissible.

8.7.010 On each side of the goal (elongated goal line) there must be a free zone of 0.60 metres over the whole width. The dimension is measured between the outer site of the elongated goal line and the boarding.

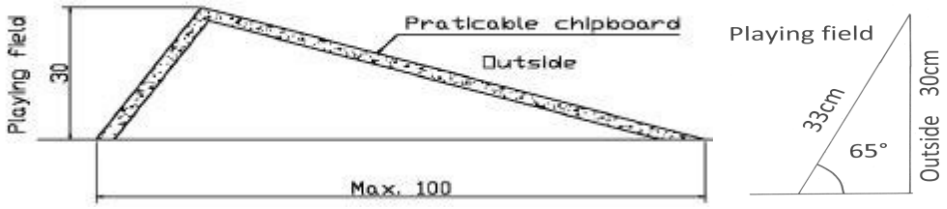

8.7.011 On each edge of the field there should be a free zone of at least 0.60 metres in width (distance between field boarding and wall or crowd).

§ 4 Match field boarding

8.7.012 Wood or plastic boarding shall surround the entire field.

(text modified on 01.09.25)

8.7.013 The boarding must have the following dimensions:
Height 0.30 meters Angle towards horizontal surface 65° to 70° (see sketch below).
The upper edge must be rounded and free of burrs.

(text modified on 01.01.18)

8.7.014 The boarding must not be fastened to the floor.

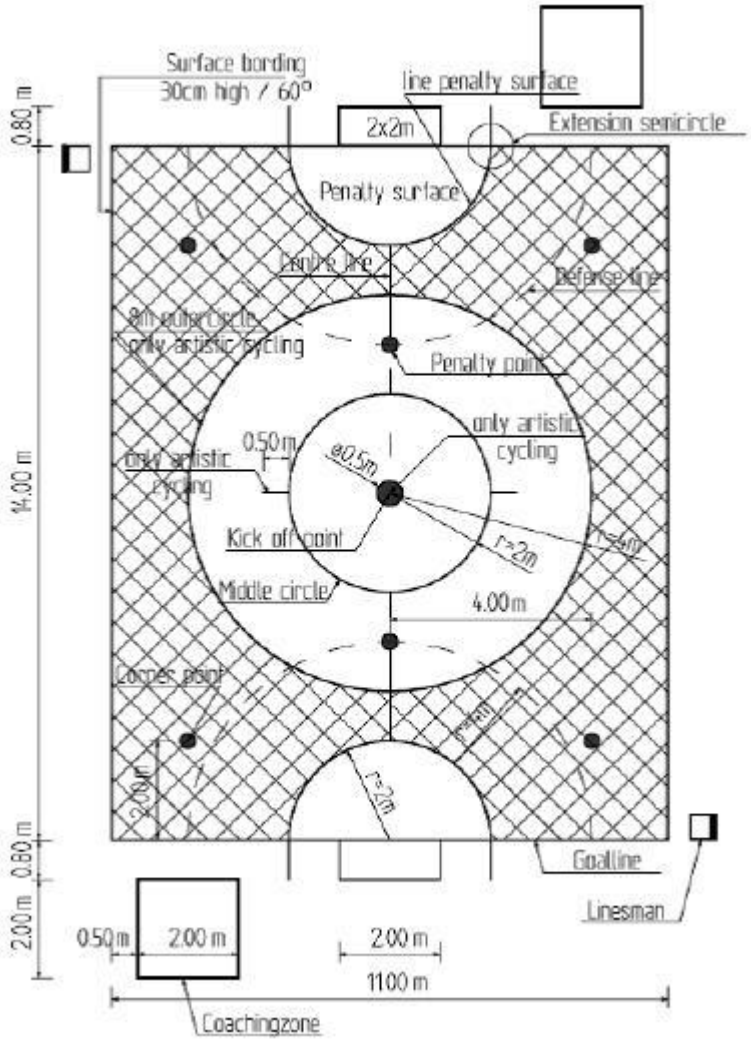

8.7.015 Advertising may be displayed on the boarding.

§ 5 Marking of the match field

8.7.016 The field must be marked according to the regulations and should be drawn up with clear lines and points as shown on the drawing below.

8.7.017 The width of the lines should be between 3 and 5 cm. The dots (points) should have a diameter between 10 and 15 cm.

8.7.018 All dimensions are external dimensions.

The 8 meter and 0.5 meter circles are only used for artistic cycling.
Advertising is allowed in the shaded area as long as the surface conditions are equal to the none shaded area

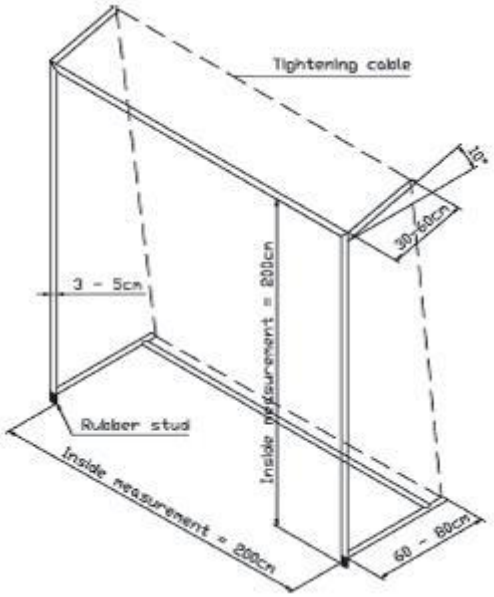

§ 6 Goals

8.7.019 The goals must have the dimensions and construction as shown in the drawing below.

8.7.020 The goals must be fitted with a net (no wire). The net meshes must be capable of stopping the ball.

8.7.021 The goals must not be fixed to the floor.

8.7.022 Cycle–ball goal
The internal measurements must be 2x2 metres. The diameter of the tubes must be between 3 and 5 cm. The fixing of the net must be constructed in a way that no injuries occur.
(the following sketch serves as an example)

(text modified on 01.01.18)

§ 7 Ball

8.7.023 A Cycle-ball ball should have a textile surface and have a diameter between 17 and 18 cm. It must be spherical.
The weight shall be between 500 and 600 gram. It is the responsibility of the commissaire to decide if the condition of the ball is acceptable.

§ 8 Clothing

8.7.024 Clothing shall consist of a jersey or T-shirt, shorts or cycling shorts. The top must be tucked into the shorts (to avoid accidents). A one-piece skinsuit is permissible. Where cycling shorts are worn, the jersey may be worn on top of the shorts. Both team members must wear identical outfits.

8.7.025 High-top sports shoes or ankle protections should be worn in order to protect the ankles.

8.7.026 Knee-high socks or stockings must be worn. Shinbone protectors are recommended.

8.7.027 Gloves, sweat-band and cycling helmets are permitted.

8.7.029 If both teams are dressed identically, one team should change their outfit. If neither volunteers the commissaire shall decides by the toss of a coin. If the team still refuses it shall be deemed to have lost the game by 5 goals to 0.

8.7.030 Advertising on sportswear is allowed as long as it meets the UCI regulations.

§ 9 Cycle-ball bicycles

8.7.031 The bicycles used shall be constructed in accordance with following guidelines and dimensions:

Dimensions:		
	A = 150 - 180 mm	B = 395 - 455 mm
	C = 560 - 610 mm	D = 500 - 550 mm
	E = 400 - 500 mm	F = 370 - 410 mm
	G = 360 - 410 mm	H = 815 - 960 mm
	J = 530 - 580 mm	K = 920 - 970 mm

For smaller bicycles these dimensions can be adapted in line with the wheel sizes.
Frame tubes may be round or oval. Curved tubes are allowed. The largest cross section of the tubes may not exceed 50 mm.
Tube fittings may not have reinforcements or supports which are bigger than the diameter of the ball itself.
New developments of bicycles which deviate from these norms may only be used with approval by the UCI.

8.7.032 Bottom bracket
The distance between the lowest point of the front gear and the floor must be at least 220 mm +- 2 mm.

8.7.033 Cranks
The length of the cranks between center of the bracket axle and pedal spindle center must be between 135 to 170 mm.

8.7.034 Handlebars
The overall width of the handlebars may not exceed 380 mm. The ends of the handlebars shall be plugged to prevent accidents.

8.7.035 Saddle
Saddles made of leather or plastic may be used. The maximum length shall be 300 mm and the maximum width 200 mm. The saddle should be fitted directly above the seat tube (an extension of the top tube of the frame). The highest point of the saddle must be above the top-edge of the horizontal frame tube, with a maximum of 100mm. Playing without a saddle is forbidden.

8.7.036 Pedals
The pedals shall have rubber or plastic coverings over all exposed metal surfaces.

8.7.037 Wheels
The diameter of the front and rear wheels shall be equal. In no circumstances shall the diameter be bigger than 26 inches or smaller than 20 inches. Only wheels with spokes are permitted; disc wheels may not be used. Wheel diameter front and rear may vary according to DIN norm 7168. i.e. for 26 " wheel +- 3 mm.

8.7.038 Gearing
For one complete turn of the cranks, the bicycle must moved at least 2.0 metres and no more than 3.20 m metres.

8.7.039 In general
Dangerous equipment or any other aids like additional frame members, footholds etc. are not allowed. The front and rear axle ends and the chain tensioners must be well protected with enclosed nuts.

§ 10 Defects / Changing bicycle

8.7.040 It is not permissible to continue playing with a damaged bicycle which might be dangerous to the other players. If the commissaire decides that the bicycle should be replaced because of the risk of injury to other players, the time will be stopped during the replacement.
The player concerned shall continue to play immediately after having changed the bicycle. It is not permitted to wait until the bicycle has been repaired.

8.7.041 A change of bicycle must be take place outside the match field area behind the player's own pro longed goal line (coaching area) without impeding the opponent. If the player does not live up to this he will be warned and in case of repetition a yellow card will be given. No coaches nor mechanics may enter the match field area (pass the match field boarding) during the match (unless the game is interrupted by the commissaire) nor may they interfere. If they do so, and the game will be influenced, the team shall be penalized with a penalty kick (4 meters).

§ 11 Planning of the games

8.7.042 Prior to the competition each team should be informed on the enrolment of the competition i.e. split up into groups, sequence and timing.

§ 12 Age categories / Game time and additional playing time

8.7.043 Cycle-ball is divided into following age categories:

A. Youth Leagues
- Up to 14 years = U15
- Up to 16 years = U17

B. Junior League
- Up to 18 years = U19

C. Elite Leagues
- Up to 23 years = U23
- From 19 years on = Elite

The league depends on the year of birth, i.e. throughout the year of a player's 18th birthday he may play in the Junior league.

The leagues may if necessary, at the discretion of the national federations, be divided further in order to restrict the number of competitors or be combined where there are too few.

(text modified on 01.01.26)

8.7.044 The game (match) time depends on the different age categories:

A.	Elite and U23	2 x 7 minutes
B.	Juniors (U19)	2 x 6 minutes
C.	All others	2 x 5 minutes

The match times can be reduced to a minimum of 2 x 5 minutes for certain tournaments or prequalifying rounds. The game time shall be taken to mean the two halves excluding a two-minute break between halves.

(text modified on 01.01.26)

8.7.045 A game of decision shall comprise only a single half (without changing ends). 1 x 7, 1 x 6 or 1 x 5 minutes as per normal game time. The game of decision will start with a neutral ball.

(text modified on 01.01.25)

8.7.046 The maximum time allowed to change ends may not exceed 2 minutes. Infractions of the rule should, after two verbal warnings, be penalized by an official warning to the team (both players).

Should the team ignore the official warning a second warning should be given and as a consequence the match be stopped.

8.7.047 Intentional time-wasting, match breaks or interruptions to the game attributable to one player or a team may lead to a stoppage after a warning by the commissaire. In such a case the commissaire announce via the time-keeper the additional time to be played (minimum of 20 seconds).

The remaining time must be clearly announced. Where the time is displayed electronically, a verbal announcement is not required.

The commissaire shall restart the game by blowing a whistle. He shall also whistle at an out ball, in order to give the time-keeper the precise signal.

8.7.048 In case of differences of opinion regarding the exact time remaining it shall always be the time keepers' time that is definitive. At half time and the end of the match it is the beginning of the timekeeper's signal which determines the end of play.

Any goal scored during an accidental extension of play shall not be cancelled. If the end signal is given too early, the remaining match time shall be played after an announcement of the remaining time. In case of a dispute concerning the time the commissaire shall decide after consulting the timekeeper.

Chapter VIII GAME RULES

§ 1 General rules

8.8.001 Match field marking is neutral.

8.8.002 The players may drive the ball into the opponent goal by knocking the ball with the bicycles. One hand must be on the handlebars and one foot on the bicycle pedal. If such is not the case, the goal is not valid and the action cannot lead to a penalty or a corner. The game must continue with an out ball from the right corner marking.
A ball which rebounds from a bicycle or the body of a player shall be considered as a valid kick. Headers are allowed.

(text modified on 01.01.18)

8.8.003 Obstruction of the opponent (purposely riding into his bicycle, pushing or grasping), leaning on a goal-post or wall, leaning on the other player with hands or body, loud shouting (within the team, towards the coach, towards the opponent or any other person), objections (against a fellow player, opponent, commissaire, jury, coaches or public), shall be considered as against the rules and will be penalized.

For the sake of clarity and as a matter of example, if a player of the attacking team, not controlling the ball, is riding actively in the direct path of the defender towards the ball and hinders him, is blocking the opponent, then such a behaviour is considered an obstruction and will lead to a free kick.

(text modified on 01.01.21)

8.8.004 Only the ball and never the opponent or his bicycles may be tackled. A player having the ball may only be tackled on the ball side.

8.8.005 Inside the match field or on the field boarding the ball may not be blocked unless an opponent is obstructing.
If a player is not obstructed by an opponent and fails to continue the game after the commissaire gives a warning it shall be considered a breach of the rules.

(text modified on 01.01.25)

8.8.006 If the ball is stuck to the bicycle or to the body of a player, this causes a neutral ball.

(text modified on 01.01.18)

8.8.007 It is not permissible to jump from the bicycle in order to catch an unreachable ball. In the event that this occurs repeatedly it shall be penalized with an official warning.

8.8.008 Coaching area
Only two responsible persons of the team are allowed to take place on the chairs in the coaching area (see sketch point 8.1.018).

8.8.009 Time-wasting
If a commissaire is convinced that a team is trying to keep the ball, and by doing this gain time, he shall inform the players with a hand signal (picture 4).
The team shall have approximately 20 seconds to attempt an attack. Should the team not finish the attack within this time, the commissaire decides on foul, which will be penalized by a free kick in the centre of the match field.

(text modified 01.01.25)

§ 2 Kick off

8.8.010 To start a game the commissaire shall toss a coin to determine which team shall start the game. The winning team shall begin the first half. The other team shall start the second half.
After each goal the team against which the goal was scored shall have the right to restart the game.

§ 3 Start of the match

8.8.011 The ball shall be placed on the centre point at the beginning of a game and after each valid goal scored.

8.8.012 At the start of the first or the second half and after each goal the players may stay wherever they want in the field except in the centre circle and in the penalty area of the opposing team.

8.8.013 After the starting whistle the attacking team may ride into the centre circle and move the ball. The ball may be touched more than once by the first player.
The defending team may enter the centre circle as soon as one of the attackers have touched the ball.

8.8.014 If a member of the defending team enters the centre circle and remains there at starting of the game (touch of the ball), the defender will be penalized by a free kick on the nearest place of the defenders goal (center line). The commissaire may optionally give advantage to the attacking team if the attack can be continued without delay.

§ 4 Interruption / Whistling signal / Neutral ball

8.8.015 The start of each half time and any other interruption shall be given by whistle by the commissaire. On each goal the commissaire shall blow a long whistle.
Half time and the end of the game shall be given by a signal from the timekeeper. The commissaire shall whistle to confirm the end of the first half and the end of the game with two long whistles but the definitive signal is that from the timekeeper.

8.8.016 The commissaire must interrupt the game in the event of:

- Any breach of the rules.
- The ball leaving the match field.
- A goal.
- The ball hitting the ceiling.

The commissaire must interrupt the game and stop the time by giving a hand sign (according to picture nr 6) and a short whistle in the event of:

- A player, the jury or other persons have to be verbally notified.
- The score or time is not clear.
- A player is injured or an injury is suspected.
- Official warnings
- Disqualification.
- The match field being not set up properly or in line with the rules.

(text modified on 01.01.18)

8.8.017 The time shall not be stopped in the event of a problem to bicycle equipment or incorrect sportswear.
An exception shall be made if any scattered object is on the match field or if sportswear has become indecent.

8.8.018 If the match has been interrupted for some reason and the ball has not left the match field, or no offence against the rules has been noticed, the game should be continued by means of a neutral ball. A neutral ball shall be given in the event that the ball hits the ceiling or any other foreign object. In all cases the neutral ball shall be given on the centre point of the field. The players have to wait outside the centre circle and can enter the centre circle and touch the ball after the commissaires whistle. A player may touch the ball several times.

§ 5 Advantage rule

8.8.019 Since a player who commits an offence should never gain an advantage from the situation; the commissaire may decide not to interrupt the game and to give the advantage to the none-offending team although the other team has committed an offence.

If advantage is given, the commissaire shall give a signal by showing the direction of the game and to say “Go on” (see picture number 2).
If the advantage is lost during the same game situation, the commissaire may decide to withdraw the advantage by interrupting the game in favour of the team which is not at fault.

(text modified on 01.01.18)

§ 6 Riding behind goal line / Permission to participate the game

8.8.020 If during a match (except at interruptions or at half time) a player falls, touches the floor, leans against another player, leans against the wall, leans on the match field boarding, leans on the ball or the goal that player shall not be permitted to continue playing.

8.8.021 To become eligible to play again, the player concerned has to ride or walk immediately behind his goal line and re-enter the match field on the same side. He must cross the goal line with one wheel outside the penalty area.

8.8.022 If a player who is not allowed to participate in the game disrupts the game by lying down or standing, or by covering or holding his opponent or touching the ball with the intention of disadvantaging his opponent, the player shall be penalized with a free kick.

(text modified on 01.01.18)

8.8.023 If a player in his own penalty area touches the floor or leans against the goal, he must leave his penalty area immediately and cross the goal line in order to get permission to return to the game.

The player concerned has to cross the goal line in such a way that both wheels have left the penalty area and at least one wheel has crossed the goal line outside the penalty area.

8.8.024 Should an ineligible defender remain in the penalty area, a penalty (4 m.) kick shall be given if he touches the ball or impedes his opponents.

8.8.025 Offences against riding behind the goal line in the field shall be penalized with a free kick, in the penalty area with a penalty kick.

§ 7 Scoring a goal

8.8.026 A goal shall be valid if the ball passes the goal line between the goal posts.

If the ball rolls on the floor the central contact point of the ball has to pass the back of the goal line.

The same principle shall apply to any ball in the air.

The goal is still valid even if the player falls off his bicycle after striking.

8.8.027 If a goal is being moved from its normal position during the game and a goal is scored, the determining item shall be the imaginary line between goal posts and not the floor marking. If the ball passes an imaginary line between the goal posts, the goal shall be valid.

8.8.028 A ball struck or deviated into a player's own goal shall count towards his opponent's score.

8.8.029 After a disallowed goal the ball shall be put on the right corner point and may be played by the defending team.

§ 8 Out ball

8.8.030 If the ball leaves the match field over the long sidelines on the ground or in the air the match should be interrupted. The commissaire should collect the ball and place it 1 meter away from the sideline where the ball crossed. The team which did not put the ball out of play shall serve. The opponent must keep a distance of at least 2 meters from the ball and the commissaire shall allow the game to restart without any signal. If the opponent is less than 2 meters from the ball a free kick shall be given.

8.8.031 If the attacking team kicks the ball over the goal line outside the goal, the ball shall be put on the corner marking on the side where the ball went out. When the ball crosses the goal line the commissaire shall whistle. The defending team may restart the game without any signal from the commissaire.

8.8.032 An out ball may be touched several times by the serving player.

8.8.033 Should the half time or match time be finished the out ball regardless on the goal line or sideline is not executed.

§ 9 Corner ball

8.8.034 If a ball is hit by a defending player or comes off the defender's body or bicycle and crosses his own goal line, the commissaire shall whistle to stop the game and a corner will be awarded to the opponent.

A corner ball must be served from the corner point after a whistle signal from the commissaire.

All players should be on their correct position.

8.8.035 For the execution of a corner ball the defending player (goalkeeper) should have both wheels in his penalty area while his partner should stay behind the centre line on the opposite side of the corner point. Outside the dotted defence line he should keep a minimum distance of 4 meters.
After the ball has been touched, the defenders are allowed to leave their position. The ball is considered as being hit as soon as the ball is touched by the attacking player after the whistle from the commissaire. The second attacking player is not allowed to be in the defending teams' penalty area nor on the opposite side between the penalty area and the dotted defence line.
The middle line between the penalty spot and the centre of the penalty area is considered as being a "wall" even in the penalty area. This means that this "wall" may not be passed by neither the offence nor the defensive player prior to the serve of the corner. This does not only concern the floor contact area of the wheel but also the foremost point of the wheel, bicycle or body.

8.8.036 The corner ball may be touched only once. A served corner ball being bounced on the goal frame or the boarding may not be touched for a second time by the serving player as long until some other player has touched the ball.

8.8.037 A corner must be executed even if the match time (half and full time) is over. (last kick)
A goal by last kick shall only count, if the goal is scored directly or because of a mistake at the goalkeeper's defence.
During execution of a last kick the other players may not interfere, not even pretending an action.

8.8.038 A last kick corner may not lead to a further corner.
If the corner is not defended according to the rules a penalty kick shall be awarded and executed.

§ 10 Goal defence

8.8.039 All offences against the rules of the goalkeeper within the penalty area should be penalized by a penalty kick.

8.8.040 The goal defence can be executed by either player of the team. The goalkeeper is entitled to use one or both hands to defend his goal as long as both wheels are in the penalty area, both feet are on the bicycle pedals and he is eligible.

8.8.041 A ball caught by the goalkeeper within the penalty area may not be thrown out further than the dotted defence line and the ball must touch the floor within 3 seconds. The ball may not be thrown towards the co-player (the head, the body or the bicycle) as long as the co-player is outside the defence line.

Should a beaten off ball bounce off in front of the defence line and then roll over this line, no offence has been committed.

8.8.042 The ball may be beaten away with the hands (even a double beat), even if it passes the defence line as long as the ball has not been caught first with one or two hands.

8.8.043 A ball that was beaten off with hands and continues to roll, either inside or outside the defence line, may only lead to a goal if it was defended correctly and touched by another player.

Thus, a direct goal from the hand cannot occur, except for an own goal resulting from incorrect defence from the goalkeeper.

8.8.044 If the goalkeeper catches the ball he may bounce it once on the floor and catch it again. Then the ball must be thrown or kicked.

§ 11 Penalty area

8.8.045 During the game only one player of the team may be in the penalty area and act as goalkeeper. A player is considered as being in the penalty area as soon as a part of his bicycle or body touches the floor in the penalty area.

8.8.046 At any time only one player from the attacking team may be in the opponents' penalty area providing the ball is in the penalty area. A player is considered as being in the opponents' penalty area as soon as a part of his bicycle or body touches the floor in the penalty area.
If a player gains possession of the ball, on the floor, from inside the penalty area although he stays outside the penalty area he shall be considered as being inside the penalty area.
The elongated line from the penalty area behind the goal line is not considered as part of the penalty area.

8.8.047 If a ball is kicked away from the penalty area so that the attacking player is left inside the penalty area without a ball, this shall not constitute an offence as long as the ball rolls away from the goal and the goalkeeper is not hindered by the attacker in any way.
Should the attacking team gain the ball, no advantage shall be given but considered as "offside". The attacking player in the opponents' penalty area shall regain his eligibility if he leaves the penalty area.

8.8.048 If the commissaire decides that there has been a breach of the rules, this offence will be penalized with a free kick from the centre of the penalty area at the beginning of the middle line (offside point).

8.8.049 If both attacking players are in the opponents' penalty area, even if the ball is inside, it is considered as an offence to the rules and be penalised with a free kick on the offside point. The ball has to be kicked after the whistle from the commissaire by one of the defending players. He may touch the ball only once.

8.8.050 The goal area is considered as being part of the penalty area

§ 12 Free kick

8.8.051 A free kick is granted for offences committed outside the penalty area. The ball is placed at the point the offence happened, but at least one meter from the boarding. After the defender has reached a distance of at least 4 meters from the ball, the commissaire whistles. Should this distance not be kept, before the ball is kicked, a new offence against the rules shall be given.

If the free kick is less than 4 meters from the goalkeeper the following is obligated: Before the whistle, the defending goalkeeper has to stay in the penalty area parallel to the goal line, and no more than 15 cm in front of his goal line. He may leave this position only after the ball is has been hit by his opponent.

A free kick may only be served once; prior to a second serve, the ball must be touched by another player or his bicycle. A player shall not be eligible for a second serve if the ball touches the goal frame or the field boarding.

8.8.052 A free kick must be served even if the normal time (half and full time) is over. There will be a “last kick”.

A last kick results in a goal, if kicked directly on the goal or through a defensive error.

A last kick will not lead to a corner. During execution of a one shot the other players may not interfere, not even pretending an action.

Offences against the defence rules must be penalized with a penalty kick.

§ 13 Penalty kick

8.8.053 A penalty is the punishment for offences committed within a player’s own penalty area.

A player is considered to be within his own penalty area as soon as part of his bicycle or his body touches the floor of the penalty area even if the offence is done outside the penalty area.

Offences outside a player’s own penalty area leading to a penalty kick:

A. If a player, not having the possibility to reach for the ball, stops his opponent with the intention to prevent a goal with a ruthless foul (e.g. fouling the not ball-keeping opponent)
B. If a player who is not allowed to participate in the game stops an opponent or the ball by walking, running, jumping or using the bicycle to avoid an attack. (leaving a stable position)
C. Playing the ball purposely by hand outside the penalty area.
D. Purposely pushing or pulling the goal away by a defending player or his coach or teammates.
E. When a player does not hold his bike and on purpose holds or deviates the ball or obstruct the opponent.

F. When a player is ready to kick the ball in an empty goal and is obstructed by his opponent.

(text modified on 01.01.21)

8.8.054 At a penalty kick all players with exception of the goalkeeper and the player kicking the ball should take up position behind the penalty spot. After the whistle the ball has to be directed directly towards the goal. The other two players may in no circumstances interfere.
The defending player (not the goalkeeper) must keep a distance from 4 meters towards the ball and has to be on the other side from where the attacking player is going towards the ball. Both non active players can come into the game as soon as the ball has been touched.
If the defending player breaks the rule a new penalty kick shall be given. If the second attacking player commits an offence he will be penalized by a free kick.

8.8.055 A penalty kick can only be served once and must be kicked directly towards the goal. Riding past the ball and “breaking“ during the attack is not permitted.
Offences hereto are penalized by a free kick.
The rebound of the ball from the goal post does not entitle the penalty kicker to a second serve.

8.8.056 The defence against a penalty kick must be such that the goalkeeper prior to the whistle signal is situated with front and rear wheel parallel to the goal line and maximum 15 cm in front of it.
The defender may leave this position from the moment on the ball has been served.
Offences against are penalized by a new penalty kick.

8.8.057 A penalty kick must be executed even if the half or full time has been reached. If the finishing signal sounds before the execution of the penalty kick, the commissaire will give a whistle signal to serve if the goalkeeper is in position. If the finishing signal sounds when the ball is in the air but has not past the goal line, the goal does not count and the penalty kick will not be repeated.

A penalty kick goal executed after the end of game time will only be counted if the ball goes into the goal without help of the other players not involved in the execution of the penalty kick. The players directly involved in a penalty kick are the serving player and the defending goalkeeper. The serving player may not kick a second time if the ball rebounds from the goal post or goalkeeper.

A penalty kick correctly executed after regular time which crosses the goal out line will not lead to a corner ball.

If a penalty kick has been defended incorrectly and no goal has been scored a new penalty kick shall be given.

Should the penalty kick not be executed correctly while served after the regular time, e.g. like stopping, braking during the attack etc, there will be no further punishment. The penalty kick shall not be repeated and the game is over.

§ 14 Whistle signals

8.8.058 At the start of the half, a corner, a penalty kick, a free kick and a neutral ball the ball will be put into play after a whistle signal.

A corner ball, penalty kick and free kick can only be served once, after which the ball has to be touched by another player or his bicycle. After serving all other players are allowed to continue playing.

8.8.059 If any ball which can only be served after a whistle signal is served prior to that signal, it shall be repeated.

8.8.060 If the ball goes out of play during the match, a whistling signal is given to interrupt the game. The ball will be put by the commissaire on the spot that the ball left the match field. If the ball went out on the extended goal line the ball shall be placed on that corner spot on the side where the ball went out. Under no circumstances shall a whistle signal be given to restart the game.

The release of the ball does not depend on the security of the goal; it is playable immediately.

8.8.061 In case of any offence, the commissaire must very clearly show against which team a free kick or penalty kick is given. The same procedure has to be followed for corner ball and out balls.

8.8.062 The signals for free kick, penalty ball, corner ball and neutral ball shall be given as soon as all players have taken their positions at the required distances from the ball.

§ 15 Complaints / Improper behaviour / Unsporting behaviour

8.8.063 In the event of improper behaviour of a player or team the commissaire should warn the concerned party by a verbal warning or a yellow card.
Improper behaviour shall include cases when:

- One player or more players repeatedly criticizes a decision taken by the commissaire.
- A player seeks to argue with his opponent, partner, the tournament jury and/or spectators.
- Repeated unjustified protest by raising one hand.
- Repeated on purpose violations of the rules.
- Quitting the game or leaving the match field without justified reason.

(text modified on 01.01.18)

8.8.064 Should the coach of a team repeatedly disrupt the progress of a match or repeatedly criticize a commissaire, the commissaire may sanction the coach with a yellow or red card. In the case of a red card, the coach must leave the hall.

(text modified on 01.01.18)

8.8.065 If warnings are being issued the match must be interrupted, the time stopped (picture 6) and the concerned person(s) shown the yellow card. The commissaire must inform the jury of the reason of this yellow card. The jury must

announce the warning and the remaining match time. With electronic time panel the time announcement has not to be given**.** After this the commissaire can continue the game.

8.8.066 If the behaviour of a player is cause for a second yellow card during the same game, the commissaire must act as per article 8.2.066.
The referee will then show him the red card and the concerned player has to leave the match field.
The result of the game will be 5:0 against the team in question, unless the score of the opponent is already higher.

8.8.067 In case of extreme unsportmanship the concerned player may be sent off without prior warning and should receive directly the red card.

Unsporting behavior includes:

- A player stopping or holding back his opponent violently, not having a possibility to reach for the ball and consciously acknowledging the risk of causing an injury for his opponent.
- Violence against players, jury, commissaires or public.
- Insulting the commissaire.
- Throwing or kicking the ball at the commissaire.
- Purposely riding the bicycle towards or pushing the commissaire.

In the above cases the game will be stopped and the game lost 0:5 unless the opponent's score at that point is better.

(text modified on 01.01.21)

8.8.068 A warning shall always be followed by a yellow card.

§ 16 Injuries and suspension of players and teams

8.8.069 In case of non-attendance or late arrival or the elimination of a team the following rules are applicable.

8.8.070 Any game where both players are not on the match field at the starting signal of the game shall be considered as lost with a score of 0:5.

8.8.071 The jury is permitted to change the order of play where a team arrives late due to force majeure.

8.8.072 A team which arrives late at the contest hall may play their remaining matches if not all games of his group have been played. The matches already missed shall however still be considered as 0:5 defeats.

8.8.073 If a team stops competition by not appearing in a tournament or series, all games shall be deemed lost by 0:5 goals.

8.8.074 Should a team or a player be suspended under article 8.2.067 the player or team may start the next game.

8.8.075 If a player is suspended according to art. 8.2.068 he may not play in the next two games. He can be replaced by a substitute.

In the event of very serious infractions disciplinary procedures can be started against the person concerned in line with chapter 12 ‘’Discipline and Procedures’’ of the UCI Regulations

8.8.076 If both players are suspended under article 8.2.068 all games for this team should be abandoned.
The team shall be excluded from rankings and prizes.

8.8.077 If both players are suspended during a championship series or ranking series under article 8.2.068 they retain the points already scored. The remaining games shall be lost with a score of 0:5.

8.8.078 If a team drops out of the tournament due to injuries, illness or lack of a substitute, the team’s results up to that point shall be counted. The remaining games shall be lost 0:5.

8.8.079 If a player indicates an injury by raising his hand the commissaire may stop the game.

If the commissaire cannot clearly identify the injury, he has to give a signal by raising his hand showing that he noticed his signal but there is no obligation to stop the game. The commissaire must be sure that the wound is not feigned for diverse reasons such as a damaged bicycle. In the latter case, there is no interruption of the game.

If the commissaire comes to the conclusion that there is a real injury, he has to interrupt the game. He gives by hand the signal to the responsible person (coach) or and to the doctor that he can enter the field. Only one responsible person, a doctor or another person belonging to the medical service is authorized to enter on the field of play.

If the responsible person or the doctor enters the field before the commissaire gives the signal by raising his hand, the team concerned shall be punished with a penalty kick (4 meters).

During time interruptions due to injuries, bicycles can be exchanged and or repaired outside the boarding (coaching zone)

The linesmen shall follow these actions very scrupulously in order to recognize any irregularity or to clarify the situation.

8.8.080 If a player is seriously injured and has to leave the field, the substitute player may replace him immediately. The game shall continue within the next 5 minutes (time of interruption). In some special cases, the commissaire may increase the time of interruption to a maximum of 10 minutes.

The injured player can, after having been replaced by a substitute, continue the tournament after having informed the commissaire or President of the Commissaire. If the same player gets injured for the second time he may not participate in the tournament any longer.

One player from the original team must always remain in the team. None of the other players are allowed to leave the field.

During the injury-interruption, responsible members of the adversary team are not allowed to enter the field. They shall stay behind the boarding surface.

Chapter IX RESULTS / CLASSIFICATION BY POINTS / OBJECTIONS

§ 1 Results

8.9.001 Every valid kick into the goal shall be counted as being scored.

8.9.002 After each valid goal and after each half the score should be clearly announced.

8.9.003 The goals scored must be recorded as they happen by the secretary of the tournament jury.
The scoreboard should display the actual score to players and spectators.

8.9.004 The winner of a game is the team who score the most goals. In the event of equal scores, the match shall be drawn.

§ 2 Classification by points

8.9.005 For each game won the winners are awarded 3 points. For a drawn game both teams are awarded 1 point. The losing team is awarded no points.

8.9.006 The result for a tournament or championship is calculated by summing up all the points scored by each team.

8.9.007 If qualifying matches etc. are played, the points awarded for them are only calculated for that particular round. It is however permissible to add points from the preliminary or semi-finals together if participants are notified in advance.

8.9.008 The winner shall be the team with highest points total.

§ 3 Ties / Final matches

8.9.009 Days of matches, rounds of a competition over several days
In the event of a tie on points, goal difference shall determine the ranking. Goal difference is calculated by subtracting goals scored against the team from the goals scored by the team. The goal difference may be positive, negative or zero.

If two teams are still tied on goal difference, the team with the highest number of goals scored shall be given the higher ranking.

Should the result remain tied, a game of decision under article 8.1.046 should be arranged if the result determines the next round or promotion or relegation between divisions.

(text last modified on 01.01.23)

8.9.010 Final round in championships, national and international competitions
In the event that two teams are tied on points for first place a game of decision will be played under article 8.7.045. Is the result of this game is also tied, the result shall be determined by penalty kicks as per paragraph 4.

Should more than two teams be tied for first place, the results of games between these teams shall be considered. The two highest in this ranking shall play a game of decision under article 8.7.045. Should this match be drawn the result shall be determined by penalty kicks under paragraph 4.

If more than two teams are equal on points after the above calculation the two teams with the best goal difference shall be placed first and second. In the event of a tie on goal difference the team with the highest number of goals scored shall be the winner.

The top two teams shall play a game of decision as per article 8.7.045 to determine the winner. Should this match be drawn the result shall be determined by penalty kicks under paragraph 4.

If more than two teams are still tied after considering goal difference, the result in the total final round shall determine the leading team. The two teams with the highest goal difference, if it should be the same between more than two teams, and the highest total number of goals scored shall play a game of decision as per article 8.7.045. Should this match be drawn, once again the result shall be determined by penalty kicks under paragraph 4.

If and only if more than two teams in this final round are tied on points and the top two teams cannot be determined as described above, then all these teams shall play a game of decision against each other as per article 8.7.045, etc.

The order in which these matches are played shall be determined by draw, as well as the right to serve.

The team with the most points from the games of decision shall be the winner.

If two or more teams are equal in points after the games of decision, then penalty kicks shall determine the winner as per paragraph 4.

In each penalty kick competition the winners shall be awarded three points, and the loser no points. The team with the highest points total shall be the winner.

In the event that the teams are still tied on points the winner shall be the team with the best goal difference of the penalty kick decision and should that not be decisive the team with most goals scored. In the event of a tie further penalty kicks shall be taken until the winner is known.

The teams taking part in the games of decision shall be ranked after the games of decision are completed. The other teams shall be ranked according to points scored, goal difference and total goals scored. Should that method result in a tie, the matches between the tied teams shall be considered. Should that fail to break the tie, a games of decision will be played should the result be critical in determining which team progresses to the next round or is promoted or relegated in a division.

(text last modified on 01.01.23)

8.9.011 *World* and continental *championships* / world and continental cups
During these competitions the procedure in article 8.9.010 shall be followed for all medal places.

Teams not in a medal-winning position shall be classified by points, goal difference and goals scored. If two teams are still tied then the direct result between them shall be counted. If that game was a draw then a game of decision must be played.

(text last modified on 01.01.23)

§ 4 Penalty kicks

8.9.012 In the event that two or more teams have equal points after deciding matches, penalty kicks shall be taken. In the first penalty kick round each player of the team has to attempt two penalty kicks on the opponent's goal.

8.9.013 The commissaire shall determine which team goes first by draw. , Each team shall then announce which player is to kick first, and then they will alternate. The players must serve their kicks in the same order towards the goal as their opponent.

The goalkeeper may be changed within the team.

8.9.014 The winning team shall be awarded three points.

If after the first round of penalty kicks does not produce a result, the teams it shall continue to alternate kicks until a result has been reached.

8.9.015 Objections against facts and decisions by the commissaire may not be submitted.

No objections may be made to the allocation of commissaires to games.

8.9.016 Objections against the groupings for a series or group, the arrangements for or order of matches must be submitted as soon as they are received.

Chapter XII UCI Cycle-ball World Cup

Men

8.12.001 The UCI Cycle-ball World Cup shall be the exclusive property of the UCI.

8.12.002 The UCI Cycle-ball World Cup consists of European Qualification competitions, a minimum of 1 Asian qualifying competition and a UCI World Cup Final.

(text modified on 01.01.26)

8.12.003 UCI Cycle-ball World Cup competitions shall be organised in the age-group Elite.
The discipline shall be Cycle-ball.

Participation

8.12.004 The eligibility of participation in the preliminaries of the UCI Cycle-ball World Cup is determined using the UCI Cycle-ball Ranking and the highest ranked team of a nation, according to the table below:

UCI Cycle-Ball Ranking (highest ranked team of a nation) European Rounds:			
rank 1 to 3	rank 4	rank 5 & 6	rank 7,8 & 9
Maximum number of teams			
3 (3 Rounds)	2 (3 Rounds)	1 (3 Rounds)	1 (1 Round)

If the maximum entries are not fully used by the eligible National Federations, other National Federations that have no or only one entry may register for the available entries. In this case a National Federation may only get a maximum of 2 entries per discipline. The application for additional entries is made by the registration for the respective preliminary round.

The allocation of the additional entries is as follows:

1. National Federations which do not have a regular entry in the corresponding discipline will be considered with one entry first in order of the quota.
2. Then all National Federations with one regular entry will receive one additional entry.
3. Then National Federations from 1) can get a second entry.
4. If there are more registrations than there are additional entries available, the date of receipt of the registration is decisive.

(text modified on 01.01.26)

8.12.005 Final
Teams who achieve place 1 to 6 in the World Cup rankings after the preliminary rounds are qualified for the UCI Cycle-ball World Cup Final. The organizer of the Final gets one wild card and the best ranked Asian team qualifies for the Final as well.

(text modified on 01.01.26)

8.12.006 The registration procedure for the riders and teams shall be fulfilled by the National Federations as requested by the UCI.

World Cup rankings

8.12.007 The World Cup rankings are drawn up based on the points won by each team in accordance with the table in article 8.10.006.

8.12.008 In the event of a tie-on points, the ranking of teams shall be determined based on the individual ranking obtained at World Cup competitions.

In the event of a tie of points and same individual rankings the individual ranking of a UCI World Cup round that both teams compete at decides over the overall ranking.

Organisation

8.12.009 The commissaires' panel shall comprise 4 UCI International Commissaires. At the UCI Cycle-ball World Cup Final one additional UCI International Commissaire shall be appointed.

8.12.010 [abrogated on 01.02.26]

Tournament mode

8.12.011 At a UCI Cycle-ball World Cup competition 8 teams compete against each other following the competition model detailed below. Each UCI Cycle-ball World Cup competition consists of a preliminary round, a second round and a final. For the preliminary round the teams are separated in 2 groups, 4 teams each. The ranking in the preliminary round is determined as follows:
